

**Associated Response  
has a mist cooling kit  
that can be  
retrofitted to any  
brand of industrial fan  
dropping the ambient  
air temperature.**

**Conventional fans  
only circulate hot air.**

**Whether your existing  
fan is mobile or fixed,  
this kit once installed  
can transform your  
industrial or  
commercial fan to a  
cooling misting system.  
Not only making the  
proximity cooler,  
but dust, odour  
and smoke free!**
